Notes from the President Dave Lyons:

Greetings fellow members. It's hard to believe but we are halfway through the year! It's been said that as we get older, time ticks faster. Seems to be true. As a Chapter we've accomplished a lot during the first half of the year. Among our many activities, we continued to meet live at the wonderful CCSD provided Fremont building. Our important buddy call system was reinstated to keep in touch with members and their families. The Chapter continues to work with HUD-VASH to help get homeless veterans off the streets and assists with rent, utilities, and food. We featured some informative guest speakers at monthly meetings. We awarded \$2,000 scholarships to deserving students. Our Color Guard performed at a number of events. We held our Chapter elections. And we gave the founder of our Chapter and immediate past President, Lee White, a grand celebration at the end of his term.

One of our Chapter members deserves "special" recognition. Chaplain Garry Turks, (AKA "Chappy") is a tireless servant and man of God. He devotes a significant amount of his time and energy visiting our sick and shut-in members. He calls on families that need support and provides Chaplain services to those in need. He is always available when you need him. The next time you see Chappy, give him a big "thank you" for all he does for veterans.

Finally, I want to hear from you. Please let me know your thoughts. I seek your suggestions and feedback regarding how we run our Chapter, improvements, and how we can continue to make meetings and activities meaningful to you and your family. Stay safe and healthy!

Litta Schaper presented a Certificate of Appreciation to her husband, Detlef Schaper. Here are her words:

This award is to honor Detlef Schaper

A man who knows people
 A man who knows devotion
 A man who knows compassion
 Someone that has given selflessly to the betterment of others
 That's Detlef
 Someone who has offered to elevate those around him with no expectation or gain
 That's Detlef too
 Someone who continues to offer his service to others without recompense
 Yeah...that's Detlef Schaper
 A giving and wonderful man who continues to offer his wealth of knowledge to those who are needing or wanting to learn.
 Detlef, your skill of automatically diving in to serve and heal at any given moment is a rare and very appreciated attribute of who you truly are.
 I offer you this award on behalf of the VVA.
 Thank you for your service to the Idledale Fire Department.
 Their establishment will forever be affected by your service with them.
 But I also offer you this award on behalf of everyone who has had the opportunity to be loved by you

Don't Get Online Scammed!

Recently I was a victim of an online scam. Fortunately, no money was lost, but some personal information was compromised. I'm sure everyone is aware of the increasing amount of online scam emails being received, as well as a constant barrage of robocalls on the phone. As older adults and veterans we tend to be good targets for scammers.

Some Reminders

When you get emails that you don't recognize, don't open it. Delete it. If you get emails from seemingly legitimate firms or persons, always check the email address of the sender. Some very legitimate looking emails from companies you know, and use, can be fraudulent. Scammers are creative with emails that have official looking logos, fonts, and images. If the email did not originate from the firm, delete it. **DO NOT OPEN IT.** If in doubt, delete it. I have also received fraudulent text messaged on my cell phone that appear to be from legitimate organizations like USPS and the VA. Delete it!

Damage Control

If you become a victim of an online scam, complete the Federal Trade Commission's report. It can be found at <https://reportfraud.ftc.gov/#/> . If monies were stolen, report the incident on the FBI site, <https://www.fbi.gov/scams-and-safety/on-the-internet> .

Protect Yourself

Vigilance is the best form of protection to prevent online fraud. Keep your antivirus software up to date. You may also want to use one of the three credit reporting companies' credit protection services (Equifax, Experian, or TransUnion). There are also many other ID theft and fraud protection services available at little or no cost.

MAKE A LASTING DIFFERENCE

Submitted by: John Vargas

An excellent way to support Vietnam Veterans of America and the work we do for our nation's veteran is to leave us a bequest in your Will, Living Trust, or with a *codicil.

WHY A BEQUEST?

A bequest is a revocable gift and may be changes or modified at any time.

A bequest is exempt from federal taxes.

If you have a taxable estate, the estate tax charitable deduction may offset or eliminate estate taxes, resulting in a larger inheritance for your heirs.

One of the pluses of making a gift by bequest is that it allows you to continue to use the property you will leave to charity during your life.

For more detail information: plannedgiving@vva.org

*Codicil An addition or supplement that explains, modifies, or revokes as Will of part of one. It's like a

Never Again Will One Generation of Veterans Abandon Another

VIETNAM VETERANS OF AMERICA CHAPTER 1106 S. METRO DENVER, CO

"P.S." to your will. To create a codicil, make the changes (remove or add) to your existing Will, sign it, have two witnesses sign and keep it with your original Will. After your death, your two documents will be read and interpreted together.

DECISIONS, DECISIONS

What to do when you're eighteen years old,
Just go off to college like you have been told.

Or do you choose a bigger life step,
And choose the military to fill the gap.

You've thought about what you would do,
It is tough to think those things clear through.

What has the most meaning for my life?
I want a clear conscience without strife.

But, if I serve my great country now,
I will never have to hang my head in a bow.
I can hold my head up and stand tall,
And know that I made life's best call.

I made my folks proud to say,
My child chose the military way.

So think about what life holds for you,
A gift to your country is the best you can do.
God bless our brave daughters and sons,
They choose a path to be number ones.

Light Side

If your electric car runs out of power on the interstate, do you walk to a charging station to get a bucket of electricity..?

Robert asked the televangelist to pray for his hearing. After 3 minutes of violent shaking and trying to push him over backwards the preacher ask, "how's your hearing"? Robert replied, " I don't know. It doesn't take place until Tuesday at the courthouse."
