Notes from the President

Dave Lyons

I am humbled, honored, and privileged for trusting the leadership of Chapter 1106 to me. As the newly elected President of Chapter 1106, I will strive to continue the success of the Chapter in the many activities we do. Above all, this is your Chapter. Please let me know how we are doing, what changes you would like to see, and any suggestions you may have to continue to make this a great Chapter.

We have a very meaningful Chapter with subcommittees and individuals that help our members, that reach out into the community to help other veterans and families, and activities that support each other. Above all, I want to continue to focus on activities that check on each other. Regular “Buddy Check” calls, visits to our sick and shut-in members, and help with any member who needs it are very important functions of this Chapter. Just contact me or any of the Board members if you need assistance, or just want to talk.

Thank you, members, for your continued participation and enthusiasm, and for your incredible support. Together will continue our success.

Member Feature

Charles U. Smith, US Army, 1964 – 1967 – E-5

I was awarded the Vietnam Service Medal w/2 Bronze Stars, National Defense Service Medal, Republic of Vietnam Campaign Medal, Sharpshooter Badge (Rifle), Expert Pistol, Combat Infantrymen Badge, Expert (M-79 GL), and the Good Conduct Medal. I was stationed at Ft. Jackson, SC, Ft. Wainwright, Alaska, Schofield Barracks, Hawaii: 25th Infantry, and Cu Cui, South Vietnam, and Ft. Hood, TX. My MOS/NEC was 11B-Infantry. My most memorable experience during my service was the cold weather in Alaska with combat infantry training at 50 degrees below zero. Combat infantry training in Hawaii and fighting in the jungles and rice patties in Vietnam followed by the horrors of war and its after affects. As a Chapter 1106 member, I want to continue serving our Vietnam Veterans and their families. I would like to have our Chapter make a trip to the Golden Gate Bridge, San Francisco on March 29, 2023, which is the National Vietnam War Veterans Day. This is a great way to show our respect for those Veterans that paid the ultimate price for our freedom!

CCSD Exceptional Volunteer

Cherry Creek School District, our local school district that has essentially adopted VVA Chapter 1106 as its own, recently honored one of our own as an Exceptional Volunteer within their system; Tom Werzyn, a long-time VVA Chapter 1106 member, and member of our Board, was selected as an Exceptional Volunteer to the CCSD system; he is one of a very few non-educator selections, and the one unanimously nominated by the administrators and staff at the Educational Services Center- i.e. District HQ; he is among 100 folks, district-wide, so honored. Tom's citation reads: "Tom, an Army Veteran, has volunteered countless hours facilitating classroom presentations and supporting CCSD's Annual Military Appreciation Event and Quilts of Valor ceremonies. We thank him for his service to our students, district and country."

Accompanying Tom at the presentation was his wife, Valerie, and daughter, Christine. Our chapter President, Lee White, and Vice President, David Lyons were also in attendance.

"Volunteering is about paying-it-back and paying-it - forward. you do what you can do, when you can do it; all involved reap the benefits ..." commented Tom after the ceremony.

VIETNAM VETERANS OF AMERICA CHAPTER 1106 S. METRO DENVER, CO

A beautiful and powerful song was rendered by Chris Omoto. Lee was presented with a special award for his service to the chapter, community, and country!

We were blessed to have Lee's sweet wife, Cookie and their daughter, Wendy at this special meeting!

Note from your Editor

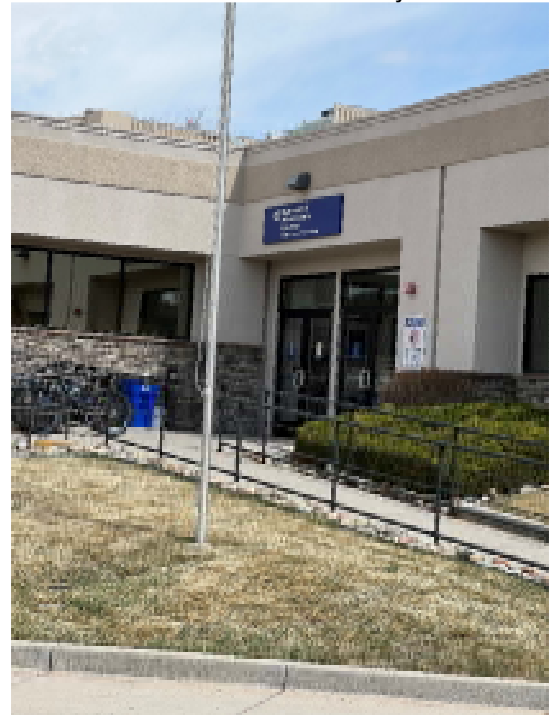

In 2010, I was one of the four key players that started the Douglas County Veterans Monument Foundation in Castle Rock. We worked hard to raise the money for its construction. As time passed, one of the volunteers that came to our aid was a guy named Lee White. He was affiliated with the Colorado Honor Flight organization, but he wanted to help with such an honorable project. The DCVM was dedicated in 2013. Lee contacted Barbara and I March 2015 to have lunch at The Black Eyed Pea. At that time, he had recently gotten the VVA 1106 Chapter chartered and was looking for possible additional new members. Barbara and I instantly knew that we wanted to become a member of the chapter and signed up for a lifetime membership. Thank you, Lee, for all you did for the DCVMF and for our VVA Chapter.

A message to my supportive brothers and sisters!

By Suzanne Sigona

During our April meeting, we began the transition to our next phase of the Lee White VVA Chapter 1106. I was surprised when the group honored me with a farewell plaque. As if I wasn't teary eyed enough going through the memories of all of Lee's dedication and efforts, I was faced with my own transition.

Never Again Will One Generation of Veterans Abandon Another

VIETNAM VETERANS OF AMERICA CHAPTER 1106 S. METRO DENVER, CO

Facing this departure makes it difficult to say all that I feel about this group, the relationships, the journey we have been on and the one that will continue. Thank you for allowing me space in the newsletter to attempt to express why you matter so much to me.

We all come together because, we “get it”. We understand a part of our being that is living our day to day lives while carrying a bit of Viet Nam with us. It may be because you got drafted right after you started a new job out of high school, that you joined the military, prepared to go over and never got called, that you have a father who is enduring service-related illnesses, you have great alignment with all who suffer post-traumatic stress, you served on the front line, or you just don’t want to talk about it.

With all of this common ground, we connect. This group accomplishes so much with scholarships, aid programs, education efforts, and other levels of service. Not everything is for everyone but something about our community reaches various individuals. You are changing lives.

It has been my honor to serve at the Wall for 32 years. Thank you for understanding my ministry. I have been blessed to make a number of support trips to Viet Nam. Thank you for supporting my passion and the work of Sister (in Viet Nam). You have always given wings to my work.

More than anything, thank you for welcoming me to this community. Some say you aren’t known for accepting civilians.

I’ve been blessed to be part of this amazing group. With every situation that comes our way, we adapt, we serve, and we thrive. Keep up the good work!
BTW I was reminded that there is still Zoom!

With love and respect, Suzanne

Editor: This is not a joke or a cartoon, but oh so sad in today’s world!

GIVEN ALL

Brave men and women love this American land,
But they don't show it off in front of a grandstand.
They show it through service in foreign places,
They wear bravery and courage on their proud faces.
Trying to bring freedom and democracy where
strangers have trod,
Folks they don't even know, but they do it for love of
God.
America has asked them to stand tall, an example for
all to see,
The kinds of freedom we take for granted like the
waves on the sea.
They volunteered from Kansas, Maryland, and tin-
buck-two,
They come from all over to keep freedom for me and
you.
Many leave their families for months on end,
They try to do their best and never bend.

Never Again Will One Generation of Veterans Abandon Another

VIETNAM VETERANS OF AMERICA CHAPTER 1106 S. METRO DENVER, CO

Many come home with damaged limbs and brains,
Their hopes and dreams covered in blood stains.

And some never get to see home at all,
Because they have answered a far greater call.
They've pushed a comrade out of harm's way,
And took the brunt of a blast that day.

Their friend's eyes are the last they saw,
When they took the heat and given all.
God bless our men and women so proud,
God will announce their coming home out loud.
Through heaven's gate they pass in full dress,
Can we as Americans honor them any less?

AMEN!

LARRY MAY BECOME MY NEW FAVORITE!

*A new teacher was trying to make use of her psychology courses. She started her class by saying, 'Everyone who thinks they're stupid, stand up!' After a few seconds, Little Larry stood up. The teacher said, 'Do you think you're stupid, Larry?' 'No, ma'am, but I hate to see you standing there all by yourself!'

*Larry watched, fascinated, as his mother smoothed cold cream on her face. 'Why do you do that, mommy?' he asked. 'To make myself beautiful,' said his mother, who then began removing the cream with a tissue. 'What's the matter, asked Larry 'Giving up?'

*The math teacher saw that Larry wasn't paying attention in class. She called on him and said, 'Larry! What are 2 and 4 and 28 and 44?' Larry quickly replied, 'NBC, FOX, ESPN and the Cartoon Network!'

*Larry's kindergarten class was on a field trip to their local police station where they saw pictures tacked to a bulletin board of the 10 most wanted criminals. One of the youngsters pointed to a picture and asked if it really was the photo of a wanted person. 'Yes,' said the policeman. 'The detectives want very badly to capture him.' Larry asked, "Why didn't you keep him when you took his picture ? "

*Little Larry attended a horse auction with his father. He watched as his father moved from horse to horse, running his hands up and down the horse's legs and rump, and chest. After a few minutes, Larry asked, 'Dad, why are you doing that?' His father replied, 'Because when I'm buying horses, I have to make sure that they are healthy and in good shape before I buy. Larry, looking worried, said, 'Dad, I think the UPS guy wants to buy Mom'

You don't have to be Catholic to appreciate this one:

A man suffered a serious heart attack while shopping in a store. The store clerks called 911 when they saw him collapse to the floor. The paramedics rushed the man to the nearest hospital where he had emergency open heart bypass surgery...

He awakened from the surgery to find himself in the care of nuns at the Catholic Hospital. A nun was seated next to his bed holding a clipboard loaded with several forms, and a pen. She asked him how he was going to pay for his treatment. "Do you have health insurance?" she asked. He replied in a raspy voice, "No health insurance." The nun asked, "Do you have money in the bank?" He replied, "No money in the bank." "Do you have a relative who could help you with the payments?" asked the irritated nun. He said, "I only have a spinster sister, and she is a nun" The nun became agitated and announced loudly, "Nuns are not spinsters! Nuns are married to God." The patient replied, "Perfect. Send the bill to my brother-in-law."
